

# WARM OR NOT?

## GECKO SPOT CHART

Help Lemon  
find the perfect  
place for a  
post-snack  
nap!

Pretend you're a little leopard gecko and try out  
different spots around your house.

Go and experience the spot, and decide: are they too  
cold, kinda warm, or just right?

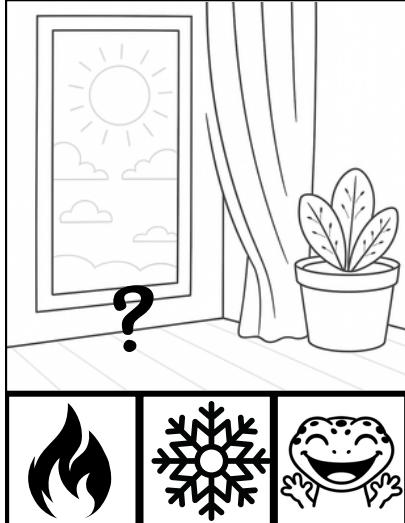

# Search for the Best Warm Spot!

Using your gecko cutout, let's explore our home to find the warmest, coziest spots - just like Lemon would!

Try placing the gecko on different surfaces and pretend she's checking them out.

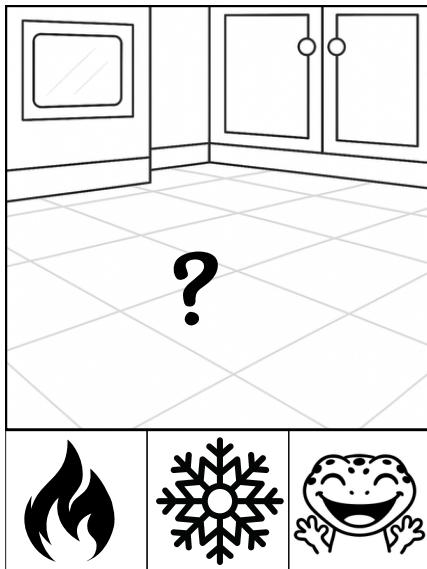

In front of the window?

Inside a fort of blankets?

On the kitchen floor?

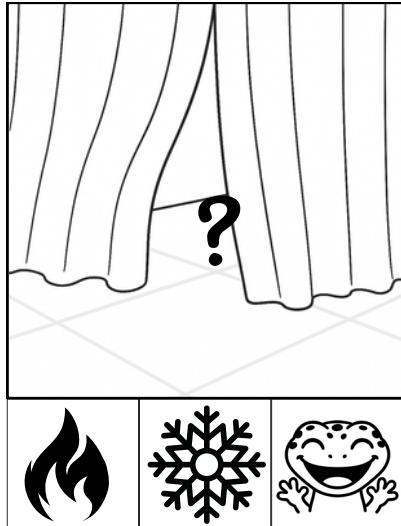

On our favourite stuffie?

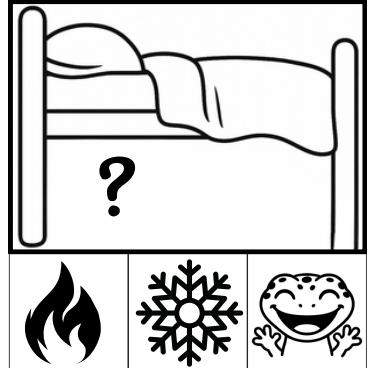

On the bathroom floor?

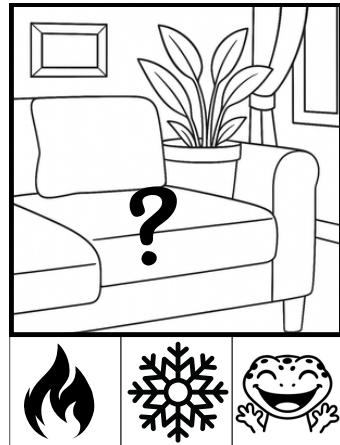

Behind the curtains?

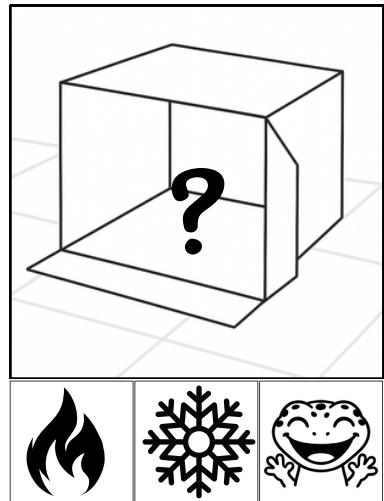

Under the bed?

On the couch?

Inside a box?
